	Mission Statement, Security Division	S 017	001	01.09.09

Our aim as a Security Contractor is to provide a high quality service that is cost effective, safe, environmentally friendly and non-adversarial, with the flexibility to meet all of our Clients' changing needs.

The continual development and improvement of these core values will be fundamental to the planned growth of the Company, its Management Structure and Client base. The growth will create opportunities for employees to progress their career within a planned structure that will allow personal development achieved through training and experience. The further development of a professional and well structured team will create excellent opportunities for likeminded individuals joining the company who can add further value to the range of services available.

In carrying out our legal and moral obligations during our daily operations, we acknowledge our responsibility to clients, employees and the general public at large.

The men and women of the Dhesi Group Plc are dedicated to excellent service through partnership that reduces crime, creates a safe environment, builds trust, and enhances the quality of life in our academic community. We are committed to delivering quality service to our community in an effective, responsive, and professional way.

Values

The values of the Dhesi Group Plc reflect those qualities in our community and in our Department that we dedicate ourselves to uphold.

Partnerships

We believe that effective security is accomplished by establishing a security/community partnership to identify problems and to engage in problem solving activities that reduce crime and the fear of crime.

Integrity

We hold ourselves accountable to maintain the highest degree of integrity, to present a professional demeanor, to obey all laws, ordinances and regulations, and to serve as role models to our community.

Dignity

We shall impartially enforce all laws, ordinances, rules and regulations, afford respect and dignity to all persons, and safeguard individual rights that are guaranteed by the Constitution.

Excellence

We will constantly strive to achieve excellence in all that we do, whether it is security, emergency medical care, or general services for our community.

Health and Safety

We aim to provide places of work, which are safe and free from risk to health. We are actively working through training to keep all accidents at work to a minimum, as is reasonably practicable.

The Environment

We aim to carry out our work without damaging the surroundings of the workplace and whenever possible leaving the surrounding work area a more environmental friendly place, on completion of the works.

Standards

We aim to achieve a high standard in all aspects, with regards to health care, cooperation, coordination and communication with clients and the general public by the development of employees through training and education.

Maintenance

We aim to provide plant and equipment, which is 100% safe to operate, environmentally friendly and is regularly maintained to achieve this objective.

Investment

We aim to invest the profits back into the company, to enable the company to achieve the high standards required by our objectives.
